

IN THE CLAIMS

Please delete claim 16 without prejudice and add new claims 17 and 18 as follows:

Box 1317 17. (New) A display system comprising:

<sup>14, 15</sup>  
a pair of electronic displays;

positioning means for positioning the displays, the positioning means comprising:

(a) <sup>16</sup> an arm assembly for supporting the displays;

(b) <sup>17</sup> support means for supporting the arm assembly; and

(c) <sup>18</sup> mounting means for mounting the displays to the arm assembly,

the mounting means comprising means for adjusting the angular orientation of each of the displays relative to the arm assembly to thereby permit said displays to be angled toward each other to a desired degree.

a 18. (New) A display system comprising:

<sup>14, 15</sup>  
a pair of electronic displays;

positioning means for positioning the displays, the positioning means comprising:

(a) <sup>16</sup> an arm assembly for supporting the displays;

(b) <sup>17</sup> support means for supporting the arm assembly above a support surface; and

(c) <sup>18</sup> mounting means for mounting the displays to the arm assembly,

the mounting means comprising means for adjusting the angular orientation of each of the displays relative to the arm assembly about a generally vertical axis to thereby permit said displays to be angled relative to each other to a desired degree.
